**Dreams do come true . . . and so do nightmares**

Karen normally can't remember her dreams, which is especially frustrating since she's taking a psych class where everyone else seems to be able to discuss theirs. But one night, she wakes up screaming and quickly recalls why—a classmate was murdered. It was so vivid—it felt real. The next morning she is shocked to find out it wasn't just a dream—the boy is dead.

But the dreams continue, and so do the deaths. Is Karen psychic, or is she herself involved in the murders? Fearing she is being controlled by the killer, Karen must find a way to uncover the truth before more of her nightmares come true.
