Undercover agent Evangeline Quill knows the dangers of getting personally involved in her cases. But this one is unavoidable: someone murdered her parents, and she's sure she knows the killer. To hunt him down, she'll need evidence...and someone to lead her straight into the murderer's lair. Enter handsome and elusive Oliver McCrea, a man with ties to the criminal world.

Although McCrea wears a tough outer shell, Evangeline senses something vulnerable beneath his wounded, golden gaze. He's the one man she shouldn't want, but she's never been big on resisting danger. McCrea knows he should turn Evangeline away, but there's something about her that calls to the man he used to be before the underworld disintegrated his humanity.

Evangeline is determined to draw out a killer, and McCrea's going to stay right by her side to keep her safe. But will their passion lead to love...or death?
