## **Cómo acordarse de sus vidas anteriores (Spanish Edition)** Roger Luc Mary

La reencarnación es una creencia que causa controversias desde hace mucho tiempo: rechazada por la religión cristiana y aceptada por las orientales, siempre ha suscitado gran interés. Hoy, hasta la ciencia profundiza en este tema. En ocasiones, a través de impresiones fugaces o sueños, se experimenta la sensación de recordar una vida anterior. En esta obra, Roger Luc Mary, especialista en fenómenos paranormales, nos invita a que reconozcamos nuestra otra historia. Para lograr este objetivo, nos presenta las teorías de la reencarnación en las tradiciones religiosas, los procesos psicológicos y emocionales que son la base de los recuerdos y los estados propicios de conciencia. En definitiva, un libro para comprender mejor a qué se refería Blaise Pascal cuando decía: «Toda la sucesión de hombres debe considerarse como un mismo hombre».
