Kepler's Dream Juliet Bell

A young girl makes her fractured family whole again with the help of a very special book

When eleven-year-old Ella's mother has to be hospitalized to undergo a dangerous cancer treatment, Ella spends the summer at "Broken Family Camp" with her eccentric grandmother, whom she's never met. The situation is hardly ideal for either of them. Ella is scared her mother may die, but her grandmother seems to care more about her library full of books than she does about her very own granddaughter.

But when a rare and beloved book, *Kepler's Dream of the Moon*, is stolen from her grandmother's amazing library, Ella and her new friend Rosie make up their minds to find it. Finding the beautiful book her grandmother loves so much could even be the key to healing Ella's broken family.

An affecting and beautifully written story of family, forgiveness and the wonder of the stars, *Kepler's Dream* is a sparkling and memorable debut.
