## **Organizing For Dummies** Eileen Roth, Elizabeth Miles

What's the favorite four-letter word of people who are less than fully organized? "Help!" So many technological, social, and economic changes affect your life that you need organization just to keep up, let alone advance. Many people have two jobs – one at the office and one taking care of things at home. If you have a family, you may count that as a third job. Caring for elderly relatives or have community commitments? You can count off four, five, and keep right on going.

No matter what life stage you're in, getting organized can make every day better and help you achieve your long-term goals. *Organizing For Dummies* is for anyone who wants to

- Polish his or her professional reputation
- Experience less stress
- Increase productivity
- Build better relationships
- Maximize personal time

Organization isn't inherited. With the human genome decoded, the evidence is clear: DNA strings dedicated to putting things into place and managing your time like a pro are nonexistent. Instead, organization is a learned skill set. *Organizing For Dummies* helps you gain that skill with topics such as:

- Understanding how clutter costs you in time, money, and health
- Training your mind to be organized and developing a plan
- Cleaning house, room by room, from basement to attic (including the garage)
- Creating functional space for efficiency and storage
- Time-management strategies for home, office, and travel
- Scheduling, delegating, and multitasking
- Making time for your family
- Managing your health – physical and financial
- Finding time for love
- Organizing and cashing in on a great garage sale

Getting organized is about unstuffing your life, clearing out the dead weight in places from your closet to your calendar to your computer, and then installing systems that keep the good stuff in its place. Organizing is a liberating and enlightening experience that can enhance your effectiveness and lessen your stress every day – and it's all yours simply for saying "No" to clutter.

### From reader reviews:

#### **Mary Sims:**

Nowadays reading books be a little more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining including comic or novel. Often the Organizing For Dummies is kind of reserve which is giving the reader erratic experience.

#### **Ricky Burnham:**

Reading a reserve can be one of a lot of pastime that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a publication will give you a lot of new details. When you read a e-book you will get new information because book is one of a number of ways to share the information or their idea. Second, looking at a book will make you more imaginative. When you looking at a book especially fictional book the author will bring you to imagine the story how the characters do it anything. Third, you could share your knowledge to other individuals. When you read this Organizing For Dummies, it is possible to tells your family, friends and also soon about yours guide. Your knowledge can inspire the mediocre, make them reading a book.

#### **Robert Marques:**

Your reading sixth sense will not betray an individual, why because this Organizing For Dummies e-book written by well-known writer who knows well how to make book which can be understand by anyone who also read the book. Written inside good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still skepticism Organizing For Dummies as good book not merely by the cover but also by the content. This is one e-book that can break don't judge book by its include, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

#### **Owen Neri:**

Are you kind of stressful person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book than can satisfy your short time to read it because all of this time you only find guide that need more time to be read. Organizing For Dummies can be your answer because it can be read by you actually who have those short time problems.
