## **The Menace of Modernism** W. B. Riley

The relation of creed to conduct is argued alike by Reason and Revelation. The Bible says "As a man thinketh in his heart so is he;" and the keenest observers upon human life have been compelled to concede the scientific accuracy of that claim. The faith of today will determine alike the conduct and character of tomorrow. A false theology eventually fruits in foul living. The opinion of the preacher and the school professor voiced in the presence of youth, is more than a mere matter of polemics; it is practically a matter of morals, hence the title of this book "The Menace of Modernism." Hundreds of grateful students have already borne testimony to the help received from the original delivery of this series; the author sends it forth asking no greater reward or return than that of lending similar help to thousands.
