Thin Red Line is a powerful, easy-to-use, four-volume study that engages participants to trace God's plan of redemption through familiar and unfamiliar passages of Scripture. With God's plan of redemption as the underlying theme of each lesson, always connecting the participant to the "thin red line," each lesson draws out spiritual growth points related to a wide variety of topics.

Written in a chronological storytelling format, this proven study increases biblical literacy. The in-depth, guided questions catalyze group discussions that lead to transformational application of God's Word. This is a comprehensive, easy-to-use tool for small-group leaders. Intended to be used consecutively, volumes can also stand alone. For churches interested in a complete churchwide study, Thin Red Line was written to be used in conjunction with Group Publishing's Route 52, so the entire family can study together each week.
