In this springtime adventure based on the Emmy Award–winning PBS TV show, George and Steve find themselves in a sticky situation when they accidentally eat all of Betsy's delicious honeycomb for her Earth Day presentation about bees. Now they need to find a way to replace the honeycomb before Betsy gets back from dance class. They head to an Earth Day fair in the park, where they learn all about bees, beehives, and how bees make honey. All they need to do is make their own beehive and they'll have plenty of homemade honeycomb! But will they be able to attract enough bees in time for Betsy's presentation? Includes two activities that reinforce the concepts in the story.
