## **Safe House** Andrew Vachss

In *Burke*, Vachss gave readers of crime fiction a hero they could believe in, an avenger whose sense of justice was forged behind bars and tempered on New York's meanest streets. In this blistering new thriller, Burke is drawn into his ugliest case yet, one that involves an underground network of abused women and the sleekly ingenious stalkers who've marked them as their personal victims.

Burke's client is Crystal Beth, a beautiful outlaw with a tattoo on her face and a mission burned into her heart. She is trying to shield one of her charges from a vengeful ex with fetishes for Nazism and torture. But the stalker has a protector, someone so informed, so ruthless, and so connected that he need only make a few phone calls to shut down Crystal Beth's operation for good—and Burke along with it. Sinuous in its complexities, brutal in its momentum, *Safe House* is Burke at the edge of his nerve and cunning. And it's Vachss at the peak of his form.

*From the Trade Paperback edition.*
