THE LAST ATTEMPT by Carlos Serra While attempting to set a new world record in the extreme sport of freediving, Audrey dies. Something had gone terribly wrong and despite a massive media attention, many questions remained unanswered. Suspicion fell over her husband, the legendary freediver known as Pipin, prompting his business partner, Carlos Serra, a brother-like friend to Audrey, to promise an investigation to determine responsibilities, if any. But Pipin rejected the motion and that's when the struggle between Serra and Pipin began. THE LAST ATTEMPT is the result of that investigation, and with a surprising conclusion, it comprises the whole story as it actually occurred.
