**The No-Nonsense Guide to World Poverty (No-Nonsense Guides)** Jeremy Seabrook

This guide questions conventional thinking about wealth and poverty—is the opposite of poverty really wealth, or is it safety and sufficiency?

Drawing on experience of poor people all over the world, the author gives voice to those whose views are rarely sought and shows how we all need to live more modestly to make poverty history.

**Jeremy Seabrook** has written more than thirty books (including *Travels in the Skin Trade* and *Children of Other Worlds*), and has worked as a teacher, social worker, journalist, lecturer, and playwright. He has contributed to many magazines, including the *New Statesman* and *The Ecologist*.
