Blindspot: A Novel Jane Kamensky, Jill Lepore

BONUS: This edition contains a *Blindspot* discussion guide.

Stewart Jameson, a Scottish portrait painter fleeing his debtors in Edinburgh, has washed up on the British Empire's far shores—in the city of Boston, lately seized with the spirit of liberty. Eager to begin anew, he advertises for an apprentice, but the lad who comes knocking is no lad at all. Fanny Easton is a fallen woman from Boston's most prominent family who has disguised herself as a boy to become Jameson's defiant and seductive apprentice.

Written with wit and exuberance by accomplished historians, **Blindspot** is an affectionate send-up of the best of eighteenth-century fiction. It celebrates the art of the Enlightenment and the passion of the American Revolution by telling stories of ordinary people caught up in an extraordinary time.

Wayne Joseph:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Blindspot: A Novel can make you sense more interested to read.
