Killer Technique: Mandolin

Suzanna Barnes

Killer Technique: Mandolin Suzanna Barnes

This book is designed for mandolinists seeking to develop their left and right-hand technique. The exercises included help reinforce fundamental actions of playing, and challenge the player to master the various permutations and combinations of these fundamentals. Each hand is given primary focus, working across all four strings or up and down the fretboard before both hands are challenged simultaneously. Through these exercises, a player can improve their functioning abilities and facilitate better control over the instrument. Practicing these workouts can help with the mechanics of playing as well, helping a player improve accuracy, speed, and agility in both hands.
