## Lo sguardo di Giano: Saggi su Carl Schmitt (Italian Edition) Carlo Galli

Dopo "Genealogia della politica", "summa" dedicata al pensiero e all'opera di Carl Schmitt, Carlo Galli torna ad occuparsi di questo autore, circoscrivendo l'attenzione ad alcuni aspetti del suo universo intellettuale: le attitudini fondamentali di Schmitt verso lo Stato, la vasta gamma di significati che la nozione di "teologia politica" assume nel lungo svolgersi della sua riflessione, il confronto che lo impegna a più riprese con gli altri pensatori della politica (Machiavelli, Spinoza), la perdurante validità dei paradigmi schmittiani per la comprensione dell'età globale. Una approfondita analisi - quella contenuta in queste pagine - che illumina magistralmente uno dei più discussi protagonisti della cultura filosofica del Novecento, costantemente sospeso fra decostruzione e costruzione, tradizione e spregiudicatezza, prevedibilità e intuizione geniale, ideologia e dottrina, e tuttavia sempre capace di attingere alla struttura profonda della modernità.
