MINI 50 Years Rob Golding

It's not the size that matters, Austin Powers tells his son as they look over the MINI, "but how you use it." And the diminutive MINI has made it big -- from the beginning. This book tells the full story of the iconic car from its initial launch in the late 1950s through its current super-hip BMW-built incarnation -- right up to the revised version set for release in 2006. Packaged in a clever "under the hood" flap with magnetic clasp (the front flap opens to show the engine), *MINI 50 Years* captures both the sense of fun and style that have made Mini one of the most popular compacts in the history of the automotive industry.

The threads that tie together the original MINI and today's are numerous and fascinating, and as interesting as the differences that set the two cars apart. *MINI 50 Years* follows them all. From the swingin' star of movies—immortalized in the original film *The Italian Job* in 1961 and again in the 2003 remake, as well as in *The Bourne Identity*—to the racing champ and now the 21st-century hipster vehicle of choice, Minis are small, fun, memorable, and cool. Author and mini expert Rob Golding treats readers to every thrill that marks the MINI.

From reader reviews:

Chuck Deschenes:

What do you concentrate on book? It is just for students since they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be compelled someone or something that they don't want do that. You must know how great and also important the book MINI 50 Years. All type of book could you see on many solutions. You can look for the internet methods or other social media.

Linda Henderson:

This MINI 50 Years book is simply not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book will be information inside this book incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This particular MINI 50 Years without we realize teach the one who reading through it become critical in pondering and analyzing. Don't end up being worry MINI 50 Years can bring if you are and not make your bag space or bookshelves' turn into full because you can have it in the lovely laptop even cell phone. This MINI 50 Years having great arrangement in word and also layout, so you will not sense uninterested in reading.

Debra Capone:

The guide with title MINI 50 Years possesses a lot of information that you can study it. You can get a lot of help after read this book. This particular book exist new know-how the information that exist in this publication represented the condition of the world right now. That is important to yo7u to find out how the improvement of the world. This book will bring you with new era of the globalization. You can read the e-book with your smart phone, so you can read this anywhere you want.

Betty Peoples:

This MINI 50 Years is great book for you because the content that is certainly full of information for you who have always deal with world and have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can state no rambling sentences in it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having MINI 50 Years in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. hectic do you still doubt that will?
