The mysteries of the English seacoast town of Blackpool linger centuries after its powerful founder died with his secrets. Newcomers Molly and Michael Graham are intrigued by the sinister curiosities of their adopted home, for though the picturesque waterfront shops are a haven for tourists, the locals keep to themselves. And most have something to hide....

A preservation grant brings a massive restoration project to the marina, throwing the town into political turmoil. As Molly wades into the fray, a young woman is kidnapped, a thug turns up dead and a shipwreck is discovered in the harbor! The Grahams are plunged into a legacy of smugglers, betrayal and murder...and even deeper into the heart of Blackpool's most shocking and long-buried truths.
