The Herbfarm Cookbook

Jerry Traunfeld

The Herbfarm Cookbook Jerry Traunfeld

Not so long ago, parsley was the only fresh herb available to most American cooks. Today, bunches of fresh oregano and rosemary can be found in nearly every supermarket, basil and mint grow abundantly in backyards from coast to coast, and garden centers offer pots of edible geraniums and lemon thyme. But once these herbs reach the kitchen, the inevitable question arises: Now what do I do with them? Here, at last, is the first truly comprehensive cookbook to cover all aspects of growing, handling, and cooking with fresh herbs.

Jerry Traunfeld grew up cooking and gardening in Maryland, but it wasn't until the 1980s, after he had graduated from the California Culinary Academy and was working at Jeremiah Tower's Stars restaurant in San Francisco, that he began testing the amazing potential of herb cuisine. For the past decade, Jerry Traunfeld has been chef at The Herbfarm, an enchanted restaurant surrounded by kitchen gardens and tucked into the rainy foothills of the Cascade Mountains, east of Seattle. His brilliant nine-course herb-inspired menus have made reservations at the Herbfarm among the most coveted in the country.

Eager to reveal his magic to home cooks, Jerry Traunfeld shares 200 of his best recipes in *The Herbfarm Cookbook*. Written with passion, humor, and a caring for detail that makes this book quite special, *The Herbfarm Cookbook* explains everything from how to recognize the herbs in your supermarket to how to infuse a jar of honey with the flavor of fresh lavender. Recipes include a full range of dishes from soups, salads, eggs, pasta and risotto, vegetables, poultry, fish, meats, breads, and desserts to sauces, ice creams, sorbets, chutneys, vinegars, and candied flowers. On the familiar side are recipes for Bay Laurel Roasted Chicken and Roasted Asparagus Salad with Fried Sage explained with the type of detail that insures the chicken will be moist and suffused with the flavor of bay and the asparagus complemented with the delicate crunch of sage. On the novel side you will find such unusual dishes as Oysters on the Half Shell with Lemon Verbana Ice and Rhubarb and Angelica Pie.

A treasure trove of information, *The Herbfarm Cookbook* contains a glossary of 27 of the most common culinary herbs and edible flowers; a definitive guide to growing herbs in a garden, a city lot, or on a windowsill; a listing of the USDA hardiness zones; how to harvest, clean, and store fresh herbs; a Growing Requirements Chart, including each herb's life cycle, height, pruning and growing needs, and number of plants to grow for an average kitchen; and a Cooking with Fresh Herbs Chart, with parts of the herb used, flavor characteristics, amount of chopped herb for six servings, and best herbal partners.

The Herbfarm Cookbook is the most complete, inspired, and useful book about cooking with herbs ever written.

-8 pages of finished dishes in full color

-16 full-page botanical watercolors in full color

Dolores Stiger:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want sense happy read one using theme for entertaining like comic or novel. Often the The Herbfarm Cookbook is kind of reserve which is giving the reader capricious experience.

Frank Hudson:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their down time with their family, or their very own friends. Usually they accomplishing activity like watching television, likely to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to consider look for book, may be the publication untitled The Herbfarm Cookbook can be excellent book to read. May be it is usually best activity to you.

Darlene Gutierrez:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Herbfarm Cookbook can make you truly feel more interested to read.
