In 898 AD she wasn't just from another land. Wrecking a marriage is generally no problem for the divorce-obtaining Lady Malice Mallender. But she faces a dilemma when she's asked to ruin her own. Just how businesslike should she remain when the marriage was never consummated and kissing her husband leads to Sin-a handsome Viking who wants her for a bed slave in name only? She came from another time. Viking raider Sin Gudrunsson wants one thing. To marry his childhood sweetheart. Only she's left him before, so he needs to keep her on her toes, and a bed slave, in name only, seems just the thing. Until he meets Malice. One kiss is all it takes to flash between two times. But when one kiss is no longer enough, which will it be? Regency London? Or Viking Norway? Will Malice learn what governs the flashes? Can Sin? Where worlds collide, can love melt the iciest heart?

#### **Isidro Wells:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Viking and the Courtesan can make you feel more interested to read.
