Voices of the Bulge: Untold Stories from Veterans of the Battle of the Bulge

Michael Collins, Martin King

Voices of the Bulge: Untold Stories from Veterans of the Battle of the Bulge Michael Collins, Martin King

The powerful German counteroffensive operation code-named “Wacht am Rhein” (Watch on the Rhine) launched in the early morning hours of December 16, 1944, would result in the greatest single extended land battle of World War II. To most Americans, the fierce series of battles fought from December 1944 through January 1945 is better known as the “Battle of the Bulge.” Almost one million soldiers would eventually take part in the fighting. Different from other histories of the Bulge, this book tells the story of this crucial campaign with first-person stories taken from the authors’ interviews of the American soldiers, both officers and enlisted personnel, who faced the massive German onslaught that threatened to turn the tide of battle in Western Europe and successfully repelled the attack with their courage and blood. Also included are stories from German veterans of the battles, including SS soldiers, who were interviewed by the authors.
