## **Wes Montgomery** Adrian Ingram

(Book). Wes Montgomery was unquestionably the most significant jazz guitarist to emerge during the 1960s. By the '70s and '80s he had, like Charlie Christian and Django Reinhardt before him, become a major influence on other guitar players. Elements of his style are discernible in many of today's finest players. Although many musicians acknowledge Wes as one of the finest guitar players of the 20th century, there has been until now a lack of detailed biographical and analytical material. This definitive work is a must for all guitarists and jazz lovers alike.
