What Happened to Our Church?

Chuck Harrison

What Happened to Our Church? Chuck Harrison

Our culture continues to go through rapid changes in technology which effect the way we learn, the way we interact with each other, and the way we build relationships. At the same time the culture is going through ethnic, religious, and socio-economic changes. Each generation deals with these changes in different ways. All of this has had a big influence on the church in America. Some churches are thriving but most are struggling to find their place in this new world.

This book explores many of these changes and offers practical, proven ways churches may respond. It is written in everyday language for church people and pastors. The author is an experienced church consultant, who writes from the perspective of 35 years working in and with churches of all types from new church plants to those over a century old.

This book is for anyone who is wondering, “What happened to our church?” and “Where do we go from here?”

From reader reviews:

Leon Moses:

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important for people. The book What Happened to Our Church? ended up being making you to know about other know-how and of course you can take more information. It is quite advantages for you. The e-book What Happened to Our Church? is not only giving you more new information but also for being your friend when you feel bored. You can spend your current spend time to read your book. Try to make relationship with all the book What Happened to Our Church?. You never feel lose out for everything when you read some books.

Colleen Harman:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what kind you should start with. This What Happened to Our Church? is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Edward Roth:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love What Happened to Our Church?, you could enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

Ella Carlson:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this What Happened to Our Church? can make you feel more interested to read.
