Liberal Racism Creates the Black Conservative: Issues and New Perspectives

Lucky Rosenbloom

Liberal Racism Creates the Black Conservative: Issues and New Perspectives Lucky Rosenbloom
Conservative radio talk show host and columnist Lucky Rosenbloom takes a provocative look at the causal relationships between liberal racism, religion, and politics, and explores how liberals have fostered hatred toward Republicans in urban areas in *Liberal Racism Creates the Black Conservative: Issues and New Perspectives*. With this stimulating collection of past columns, Rosenbloom provides intellectual, yet harrowing opinions surrounding the social conditions that allow individuals the ability to perpetuate liberal political racism in communities of color. At an early age, Rosenbloom became intimately familiar with these types of racism. As a ten-year-old, he was bused to an all-white school and had to deal with his classmates' intolerance, and he heard a racial slur (Nigger) directed at his father in a liberal court. In addition, *Liberal Racism Creates the Black Conservative* delves into alleged acts of racism in liberal entities from the Stillwater State Prison to the Hubert Humphrey Job Corps Center. Learn about Democrats who organized and destroyed the Rondo neighborhood in Minnesota, liberal politicians who taxed Blacks out of home ownership, and how Republicans are blamed for these actions. With *Liberal Racism Creates the Black Conservative*, Rosenbloom offers a controversial look at one of America's most hotly debated topics today.
