Stacking in Rivertown Barbara Bell

An intricately emotional and erotic debut and a haunting foray into the deepest recesses of a sexual underworld, *Stacking in Rivertown* is a novel of love, pain, and redemption.

Young, beautiful, and happily married, Beth is finally learning to relax and enjoy her success as a bestselling novelist. She has at last achieved the well-adjusted life she always wanted; it almost seems too good to be true. And it *is*.

Beneath her thin veneer of normalcy lies a terrifying history of sadism, sexual torture, tragic violence -- and a single long-buried secret that could destroy her. Beth is scarred by childhood abuse: as a sixteen-year-old runaway, she was picked up by Ben, an upmarket pimp whose girls are virtually slaves and who specializes in expensive sadomasochistic "plays" for wealthy clients.

In one of those plays, Beth was stabbed and her best friend (and lover), a fellow young prostitute, was savagely murdered in front of her eyes. Now, recaptured by Ben, she struggles to remember what happened and who did it.

Stacking in Rivertown marks the auspicious debut of a refreshingly bold new writer. In the bestselling tradition of Thomas Harris and David Lindsey, Barbara Bell plunges readers deep inside the mind of a woman struggling to survive and rebuild her life despite a harrowing past.

As Beth flees for her life, fighting to get her revenge and somehow learning to love without pain, *Stacking in Rivertown* hurtles its readers toward a terrifying and unforgettable climax.

We propose you for having that Stacking in Rivertown instantly.

Lena Drew:

You could spend your free time to see this book this book. This Stacking in Rivertown is simple to create you can read it in the playground, in the beach, train and soon. If you did not have got much space to bring typically the printed book, you can buy the particular e-book. It is make you better to read it. You can save often the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Marie Clemmer:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Stacking in Rivertown can make you feel more interested to read.
