The Battle for North America

Francis Parkman

The Battle for North America Francis Parkman

Originally published in 1889 in 13 volumes, this brilliant, unequalled work by the most famous American historian of the age has now been skillfully edited into a single edition. The wonderfully readable result retains its sharp focus and wonderfully graceful style, while eliminating repetitions and archaic phrases. Playing out in the dramatic account is the struggle for a continent, and the brilliant men who dominated the conflict: Champlain, La Salle, Washington, Howe, and others. By ousting the French from the land, the British unwittingly set the stage for their own later defeat.
