Fisherman's Bible: The World's Most Comprehensive Angling Reference

Fisherman's Bible: The World's Most Comprehensive Angling Reference

In the tradition of the bestselling *Shooter's Bible*, Skyhorse Publishing presents the *Fisherman's Bible*, the most complete reference guide for new fishing equipment and its specifications. Anglers will only need one book—now in its second year—to discover all the new gear on the market as well as to look up specs on accessories currently in production.

A comprehensive full-color feature on new products includes large photographs of every rod, reel, and lure with extensive product details and feature listings. In addition to the latest gear, the *Fisherman's Bible* offers thousands of rods, reels, lures, and lines that have been in production and are currently on the market. All products are divided by spin, spin casting, bait casting, and fly fishing, and further separated into freshwater and saltwater. Nearly every fishing gear manufacturer in the world is included in this unique compendium.

With an introduction highlighting the hottest new products on the market, as well as timely features on such informative topics as new trends in fishing, a beginner's guide to fishing, and what and where to fish (popular species and prevailing methods), the *Fisherman's Bible* is an essential authority for any beginner or experienced angler, wherever he or she may live or choose to fish.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
