Hide and Seek: The Search for Truth in Iraq Charles Duelfer

Charles Duelfer is one of the most senior intelligence officers with on-the-ground experience to have worked in Iraq before, during, and after the Gulf War. His 2004 CIA report is widely renowned as the most authoritative account on how the world was led to believe that Saddam possessed weapons of mass destruction. But until now, Duelfer has never publicly shared his unrivaled expertise on just how the U.S.-Iraq relationship spiraled into a second war, and ultimately into chaos.

Hide and Seek is his account—based on unparalleled access to Iraqi leadership, the White House, and the CIA—of the long and tragic unraveling of the U.S. relationship with Iraq. This book sees beyond the propaganda and deceptions of both sides to tell the story of the miscalculations in assessing Iraq as a threat, why Saddam responded as he did to U.S. demands, and precisely how the U.S. implemented its decision to topple Saddam's regime. No one is better able than Duelfer to see inside the mindsets of the two administrations, with their mismatched priorities, wounded pride, and dangerous ability to bluff and counterbluff.
