## **Sex Pistols: 90 Days at EMI** Brian Southall

A fascinating insider's account of the notorious three months that turned the British music industry on its head.

Here is the story of how the Sex Pistols shocked and shamed EMI—the UK's most revered and profitable record company—and ended up £40,000 the richer thanks to manager Malcolm McLaren's cunning business strategy.

Author Brian Southall is the former EMI PR executive who was there during the whole infamous Sex Pistols/EMI affair. For the first time, he now tells the whole story, from EMI's signing of the Pistols in September 1967, through the notorious incident on Thames Television's *Today* programme, to the band's extreme behavior at London's Heathrow airport that resulted in EMI severing their 90-day-old contract.
