Ken Wilber

The Spectrum of Consciousness (Quest Books) Ken Wilber

Wilber's groundbreaking synthesis of religion, philosophy, physics, and psychology started a revolution in transpersonal psychology. He was the first to suggest in a systematic way that the great psychological systems of the West could be integrated with the noble contemplative traditions of the East. *Spectrum of Consciousness*, first released by Quest in 1977, has been the prominent reference point for all subsequent attempts at integrating psychology and spirituality.
