Blackout: The Gosnell Grand Jury Report the Media Does Not Want You to Read Jonah Goldberg

This publication the antidote to the persistent media avoidance of both the Grand Jury report and the trial of Dr. Kermit Gosnell. When Jonah Goldberg says that this [Grand Jury] report struck me as equal to some of the greatest reportorial journalism I have ever seen written, he is not only complimenting District Attorney R. Seth Williams and his team, he is also condemning those in the mainstream media who choose to avoid reporting to the American people what was happening at 3801-05 Lancaster Avenue in Philadelphia. Goldberg praises the DA for putting forward a truly compelling and thoroughly horrifying narrative about how a figurative butcher charged his patients the way a literal butcher would: by the pound.
