Acceptance... or punishment. With the world watching, the opposing forces of superpowered beings clash in battles that reveal whether those who serve the elusive Morningstar, said to be a wise and powerful heavenly creature, fight for the cause of good or evil. Acceptance... or Punishment. The Tempest used his great powers to calm the storm's rage. Now as he plans to turn himself in to the authorities, Michael doesn't know whether his confession will place him among the heroes or land him in prison.
