India Stanley Wolpert

This new edition brings Stanley Wolpert's brilliantly succinct and accessible introduction to India completely up to date for a new generation of readers, travelers, and students. In crisp detail, Wolpert gives a panoramic overview of the continent on which the world's most fascinating ancient civilization gave birth to one of its most complex modern democratic nations. *India* now includes new sections on the country's current global economic development, the recent national elections, and on its international relations, including those with Pakistan, China, Sri Lanka, and the United States, India's new strategic global partner.
