## **New Selected Poems** Hans Magnus Enzensberger

Not only Germany's most important poet, Hans Magnus Enzensberger is a provocative cultural essayist and one of Europe's leading political thinkers. This is intelligent and pointed poetry in the tradition of Brecht, humanely political and generously engaged. The poems have the ease and lightness of real mastery. They are moral in their insistence that human life can be lived well or badly, that it is up to us to choose well and to act wisely. Enzensberger is now writing with an increasing awareness of mortality, yet addresses social and political dangers and evils with undiminished urgency. Of Enzensberger's previous work: "'Though the forms and focus of this poetry change over time, its intent and integrity remain consistent, as do its richness and clarity.'" -Publishers Weekly.
