The Prophetic Made Personal Mickey Robinson

Although we may understand that God has established certain individuals as prophets in the Church, too few of us consider ourselves to be in their league. Mickey Robinson opens the way for every believer to enter into new and fulfilling prophetic possibilities, providing biblical and historical background for the operation of prophetic gifts and also explaining safeguards and practical methods for prophetic ministry. Making a strong case for the benefits of the local church as a prophetic base, he illustrates the importance of personal maturity, mutual encouragement and accountability, prophetic worship, and the power of the Holy Spirit.
