## **Astana progetto Nemesis (Italian Edition)** Salvatore Cagnetti

Samuel non avrebbe mai immaginato che in un solo giorno la sua vita sarebbe cambiata, da monotona e noiosa tipica del suo lavoro come segretario in una nota azienda farmaceutica a frenetica e avventurosa e questo solo per aver ricevuto in consegna una memoria USB appartenuta al fratello Raul. Il suo scopo gli fu subito ben chiaro fin dall'inizio, consegnarla a qualcuno che lo attendeva a Washington, ma non era l'unico ad essere interessato a quella memoria USB, i servizi segreti vogliono entrarne in possesso, il suo contenuto era scottante come la verità che Samuel apprese sul fratello Raul. Cospirazioni, giochi di potere, servizi segreti, luoghi misteriosi, Massoneria deviata, Illuminati ed altro ancora, tutto legato insieme da un sottile filo di tela, filo che alla fine lo condusse ad Astana, città mistica, lì capì che tutto il suo viaggio e tutti i pericoli che lo avevano interessato non erano niente, l'inizio della storia iniziava lì alla fine della storia stessa, iniziava ad ASTANA.
