**For the New Intellectual: The Philosophy of Ayn Rand (50th Anniversary Edition) (Signet)** Ayn Rand  
This is **Ayn Rand's** challenge to the prevalent philosophical doctrines of our time and the "atmosphere of guilt, of panic, of despair, of boredom, and of all-pervasive evasion" that they create. One of the most controversial figures on the intellectual scene, Ayn Rand was the proponent of a moral philosophy--and ethic of rational self-interest--that stands in sharp opposition to the ethics of altruism and self-sacrifice. The fundamentals of this morality--"a philosophy for living on Earth"--are here vibrantly set forth by the spokesman for a new class, **For the New Intellectual**.
