Geography, Culture and Education (GeoJournal Library)

The aim of this book is to inject more intercultural understanding and education into people's lives. This is achieved by focusing on key aspects such as geography and culture, geography and citizenship, pedagogic implications and future directions for inter-cultural learning, understanding, and education. This publication demonstrates how the study of geography can assist people in different social and cultural groups to sustain their lifeworlds, and improve them for future generations of citizens.
