Bears: Without Fear Kevin Van Tighem

Fear of bears seems almost to be part of what it is to be human. Our species emerged out of the depths of time into a world already populated by these great carnivores. Before we mastered iron and later developed firearms, we had few defences against bears—only watchful caution and elaborate ceremonies and sacrifices to ward off fear.

Where human populations grow, bears have traditionally dwindled or disappeared. But when we return to the wild, to places where bears still survive, all our primeval fears awaken again. The risk of an automobile accident on the way to bear country far outstrips the risk of a close-range encounter with a bear, but it's the bear that worries us as we hurtle down the pavement at a hundred kilometres an hour.

In this timely and sensitive book, Kevin Van Tighem calls on decades of experience, knowledge and understanding in order to enlighten readers about our relationship with and attitude toward bears. Along the way we are confronted with the realities confronting these great animals as a result of our ever-expanding human population and their ever-shrinking natural habitat. Through historical research, field observation, practical advice, personal anecdotes and an array of stunning photos, Van Tighem has written a comprehensive book that is meant to demystify bears in order to promote a deeper understanding of these powerful yet vulnerable creatures.

From reader reviews:

Nellie Davis:

The actual book Bears: Without Fear has a lot associated with on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. This articles author makes some research prior to write this book. This kind of book very easy to read you can get the point easily after perusing this book.

Shawn Howe:

Many people spending their time frame by playing outside with friends, fun activity together with family or just watching TV the entire day. You can have new activity to enjoy your whole day by examining a book. Ugh, you think reading a book will surely hard because you have to use the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like Bears: Without Fear which is obtaining the e-book version. So , try out this book? Let's see.

James Butler:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Bears: Without Fear can make you sense more interested to read.

Gloria Todd:

What is your hobby? Have you heard that question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And also you know that little person similar to reading or as reading become their hobby. You need to understand that reading is very important and book as to be the factor. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You get good news or update about something by book. Numerous books that can you decide to try be your object. One of them is Bears: Without Fear.
