Horses and the Human Soul

Judith Barrington

Horses and the Human Soul Judith Barrington

Praise for *History and Geography*:

"Barrington's history, like Lowell's, is intensely personal; her geography, like Bishop's, extracts the familiar from the exotic and the exotic from the familiar."-*The Nation*

"She engages wittily with cultural differences . . . and gives a prominent place to what Elizabeth Bishop, of whom her writing sometimes reminds me, called 'questions of travel.'" -*The Women's Review of Books*

"Written in a voice at once steadfastly bold and gently intimate . . . Barrington demonstrates control of her material, transforming volatile feelings and almost unspeakable observations into cogent, vigorous poetry."-*Publishers Weekly*

Judith Barrington's memoir, *Lifesaving*, won the Lambda Award. She lives in Portland, Oregon.
