Le frisson de la victoire (French Edition) Mylène Laurent

Le Frisson de la Victoire est une histoire vraie : Rita et Marcel se rencontrent en 1936 sur les bancs de l'université de Bruxelles et partagent les mêmes valeurs éthiques et morales, et donc un rejet très profond de l'idéologie nazie, destructrice et dominante. Ils entrent tous deux en Résistance dès le début de la guerre. Était-ce le bon choix ? Était-ce un acte libre, réfléchi ou, au contraire, les deux jeunes gens étaient-ils mus par un sentiment puissant, obligatoire, de vouloir agir, à leur mesure, sur leur temps ? Était-ce le sentiment amoureux qui les avait poussés à s'engager ensemble, « pour le meilleur et pour le pire » ?

Le récit se construit sur l'alternance du passé et du présent : Rita, 60 ans après les événements, raconte leur parcours à tous deux à l'étudiante de 20 ans, qui la rencontre pour étoffer son travail de recherche sur l'engagement. L'enchaînement inévitable des événements qui conduiront Rita et Marcel au bout de leur destin, est recréé progressivement au travers des récits rapportés à la jeune historienne, qui les comprend à l'éclairage de sa génération.

Récit très sobre, écriture juste, précise, très complète, qui épouse très bien les émotions et situations vécues par ce couple hors du commun ; mais pas de dérive larmoyante ou sentimentale, c'est la relation des faits, certains très heureux, d'autres cruels, toujours avec la même note de fond, comme une basse continue qui entretiendrait le souffle de chaque phrase. A découvrir et lire avec le plus grand respect, mais aussi avec la passion de la vérité !

Ethel Swafford:

Reading a book to get new life style in this yr; every people loves to read a book. When you study a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what forms of book that you have read. In order to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The *Le frisson de la victoire* (French Edition) offer you a new experiance in reading a book.

Kurt Bohnert:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this *Le frisson de la victoire* (French Edition) can make you truly feel more interested to read.
