Enjoy a spectacular variety of designs to be worked in silk and wool--the perfect partners for embroidery. The sheen of silk enhances the work and breaks the flatness that can result from using wool threads on a wool background. In addition, silk and wool require similar care, making it easy to keep finished projects looking like new. These designs feature a range of motifs including numerous flowers, hearts, bunnies, and a teddy bear. 48 pages (all in color), 5 3/4 x 6 1/4.
