The Idea of Perfection

Kate Grenville

The Idea of Perfection Kate Grenville

Harley Savage is a plain woman, a part-time museum curator and quilting expert with three failed marriages and a heart condition. Douglas Cheeseman is a shy, gawky engineer with jug-handle ears, one marriage gone sour, and a crippling lack of physical courage. They meet in the little Australian town of Karakarook, where Harley has arrived to help the town build a heritage museum and Douglas to demolish the quaint old Bent Bridge. From the beginning they are on a collision course until the unexpected sets them both free.

Elegantly and compassionately told, *The Idea of Perfection* is reminiscent of the work of Carol Shields and Annie Proulx and reveals Kate Grenville as "a writer of extraordinary talent" (*The New York Times Book Review*).
